Please Advice to Your Customers

Safety Tips...

DO'S

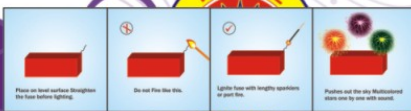

1. Buy the fireworks from the reliable sellers possessing licence.
2. Always an adult should supervise the use of fireworks.
3. Safety precautions marked on the fireworks should be strictly followed.
4. Use a candle or and agarbathi to ignite the fireworks.
5. Always keep a bucket of water at hand to extinguish an incipient fire.
6. Aerial fireworks should be used in a safe landing zone.

DONT'S

1. Never ignite fireworks while holding them. Put them down then ignite them and walk away.
2. Don't put fireworks in any container to ignite.
3. Any malfunctioning fireworks should be abandoned.
4. Never ignite aerial fireworks where overhead obstruction (tree, leaves, wires etc.) may interfere with trajectory into open air space. Never ignite aerial fireworks near an opening to a building. An open garage door or window could allow aerial fireworks to fly into the structure and cause a fire.
5. Never use fireworks inside house.
6. Use fireworks outdoor, but not on the public thoroughfare.
7. Never experiment or make your own fireworks.
8. Never re-light a "dud" fireworks (wait 15 to 20 minutes and then soak it in a bucket of water)
9. Do not use spurious / illegal fireworks.
10. Fireworks should not be used between 10.00 pm & 6 am as per Govt. order.

WARNING : FANCY AERIAL GRAND REPEATER

For out door use only. Before use, select open ground where no people in 200 metres vicinity. The surface should be firm and not covered with loose soil. Not to be used near community centre / halls. Avoid to use in streets during the procession of marriage or any other function.
